DUNKERQUE-PORT: A RENEWED EXECUTIVE BOARD ALONGSIDE ITS CHAIR, MAURICE GEORGES

Following the meeting of the Supervisory Board of the Major Seaport of Dunkerque (GPMD), held on Friday, 19 November 2021, Ms. Emmanuelle Verger, Chair of the Supervisory Board and Mr. Maurice Georges, Chair of the Executive Board, welcomed the appointment of Mr. Daniel Deschodt as Deputy Managing Director of the GPMD, as well as Mr. David Lefranc as a new member of the Executive Board.

Consisting of Daniel Deschodt, Deputy Managing Director and Sales Director; Christian Minet, Chief Operating Officer; David Lefranc, Director of Planning and the Environment, and chaired by Maurice Georges, Managing Director, the Executive Board is taking tangible action in the many strategic projects of Dunkerque-Port, in particular the development of the container terminal with the Cap 2020 project, the environmental issues linked to the ecological and energy transition, the development of industry and logistics, as well as the harmonious integration of the port into the region surrounding Dunkerque and Hauts-de-France as a whole.

About Dunkerque-Port: Leading French port complex (Calais-Dunkerque); 9th largest port on the Channel and North Sea Ranges, 3rd largest port in France, the port of Dunkerque stands out in many segments: Leading passenger port in Europe (Calais-Dunkerque corridor); largest energy hub in France; largest LNG terminal; leading French port for containerised imports of fruit and vegetables; leading French port for mineral and coal imports; largest rail port in France; largest regional river port; 3rd largest port in France for grain traffic. Dunkerque-Port is also a sustainable port. It is the trading port of the new Hauts-de-France Region, the largest agricultural region of France, the leading region for the rail industry, and the leading region for the car industry. 2020 Traffic: 45.2 Mt.
